

A Look to the Future

Following a Virginia Tech Office of Student Conduct investigation into alleged incidents of hazing in the Fall 2016 semester by the undergraduate chapter, on February 21, 2017, Virginia Tech revoked university recognition of Lambda Chi Alpha. This sanction will remain in effect until Spring 2021. As required by the Constitution and Statutory Code, Lambda Chi Alpha International Headquarters (IHQ) suspended their recognition and closed the chapter. In order to mitigate the chance of any litigation and enhance the opportunity to recolonize the fraternity as quickly as possible, the Board of Directors of the Lambda Chi Alumni Chapter at Virginia Tech has voted to withhold publication of detailed information on the alleged incidents. However, please call any of the Board members listed in this edition should you be interested in learning more. In general, please know that no one was harmed physically by any of the alleged incidents. Nonetheless, the allegations met the technical and legal definitions of hazing. The alleged actions are prohibited by university and fraternity rules and regulations, as well as federal and state laws. They directly oppose the fraternity's seven core values. of loyalty, duty, respect, service and stewardship, honor, integrity, and personal courage. Hazing will not be tolerated.

During this experience, IHQ provided valuable guidance and direction and moved aggressively to sanction the active chapter, in consultation with the Alumni Chapter Board, in an effort to reduce Tech's sanction. Tim McDermott, representing the Alumni Chapter, along with Doc Benoit met with the active chapter at a special meeting on February 12, encouraging them to accept responsibility and approach the hearing process in a forward thinking manner. Subsequently, four alumni met with the active chapter and IHQ Educational Leadership Consultant Taylor Krivas to discuss the appeals process. Following a thorough discussion, when asked to make a decision to fight to keep the chapter open and appeal the university's decision or accept the loss of recognition sanction, the actives voted unanimously to leave the sanction in place and therefore close the chapter. Following this decision, IHQ was required by the fraternity's Constitution and Statuary Code to expel all current active members.

The Alumni Chapter Board has accepted the decision of the actives and worked diligently to preserve the integrity of the house, requiring the brothers to move out of the house within a few weeks and helping them secure alternative housing arrangements for the remainder of the semester. The Board has signed a lease with Kappa Sigma to rent the house, providing a revenue stream of \$3,000 per month. The Board is looking forward, not backward, focusing intently on the opportunity to recolonize as quickly as possible. While that date is currently fixed at 2021, we will maintain positive relationships with both IHQ and Tech's Office of Fraternity and Sorority Life to ensure we can respond quickly to any possibility to returning to campus life before that date.

****** *New Alumni Board* ******

At Homecoming 2016, a new slate of officers stepped forward to lead the Alumni Chapter for the next two years. See their thoughts on the following pages.

Barry Buschow '72 ΣΛ25, President
Nathan Yingling '07 ΣΛ521, Vice President
Sam Long '73 ΣΛ12, Treasurer
Mike Moorefield '73 ΣΛ31, Secretary
Jimmy John '71 ΣΛ4, ΣΩΤ Director

Jesse Harris '00 ΣΛ429, Immediate Past President
Tim McDermott '77 ΣΛ64, Director
Mike Whaley '96 ΣΛ423, Director
Bruce Rogers '64 ΣΛ250, Advisor
Butch Webber '64 ΣΛ253, Advisor

From Barry, President:

Brothers,

There is a time when we all need to refocus. That time is now with our Sigma Omega Tau and Lambda Chi Alpha brotherhood. ΣΩΤ brought us Strength Through Brotherhood and a foundation. ΛΧΑ carried us through the years. We did not fail; we just were too successful, large brotherhood out of control. New times, new ways and the active guys lost their way. They just did not truly appreciate what it means to be a brother of ΣΩΤ/ΛΧΑ. We will continue, we will not give up, we will be back as an active chapter at Virginia Tech.

I look back at my pledge book from time to time. The following is still TRUE:

Our brothers believe that the best way to better ourselves in our relations, both social and other, with our fellow man is through the interchange of ideas and fraternity of common interests, and that these bonds are supreme among those things which bring men together.

This is what I believe in and we all believe in. Let's continue what was started almost 60 years ago and support our brotherhood and our cause. We are all now alumni and it takes all of us to get the train back on its tracks.

ΛΧΑ headquarters is behind us and we plan to return in three to four years. Until then, we need your support, yes financial as well as spiritual. We plan to continue and enhance our alumni events. Hoping to restart Spring Picnic, continue Beach Bash, re-emphasize Spring Game, and of course Homecoming. Homecoming might be a little different as we discuss how to make it work for all Alumni, especially our 60th Anniversary in October 2018. We welcome your ideas and thoughts. The Board contact info is located on our web site: <https://vtlambdachi.org>. Check it out from time to time. We will make every effort to keep you informed. Please note the help wanted ad - we need a newsletter editor.

“We will return.”

Yours in Brotherhood;
Barry Buschow '72 ΣΛ25, ΣΩΤ 236

From Nathan, Vice President

I decided to join the alumni board and serve because Tim McDermott talked me into it. I know that doesn't sound very poetic or earth shattering but simply, that is the reason. However, like the deeper meaning of our open symbols so does my statement have a deeper meaning. Last fall Tim sent out the Link with the words “There are a number of significant issues confronting the fraternity over the next several years ... Your attendance is vital to our future.” Little did Tim know how significant the issues facing the fraternity would be. However, it was that statement that made me reflect on what the fraternity means to me; the good times, the bond of brotherhood, how it helped shape the man I am, and I could go on. After being away since graduation I decided to reconnect because I wanted the next generation to have that same opportunity. Considering the recent events, I am reminded of the Giant Sequoia trees of the Sierra Nevada; the most growth happens when there is fire. As we look forward to our 60th reunion, I invite you to reflect on what the fraternity means to you and reconnect. This is only a stumble in a much longer journey that was started almost 60 years ago.

In ZAX,
Nathan Yingling '07 ΣΛ521

From Sam, Treasurer

Hello Brothers,

It has been interesting to say the least since I took over as Alumni treasurer. I had not planned on the local chapter dissolving, so this has added a new level of involvement. We needed to secure the house, remove the brothers living there, secure a tenant (Kappa Sigma) to lease the house and perform a great deal of repair work that was necessary to lease it.

By the Numbers

- Alumni Support Fund Checking Account (6/23/17) \$14,272.75
- House Corporation Checking Account (6/23/17) \$ 8,285.71
- Recolonization Account (6/23/27) \$ 100.00
- Loan Balance (4.61% rate) (6/19/17) \$85,000.00
- Loan Balance to be paid off by 6/19/32 (15 years)
 - The Board is implementing plans to retire the mortgage in five years or less with strong alumni support and current lease payments by tenant.

We just established a new mortgage loan at 4.61% (1% less than our old mortgage rate). This move will allow us to retire the debt faster and pay off the repair and rehab bills that we incurred. As you can see we are about \$3,000 more in debt than we were, but we have spent around \$20,000 to fix the house up. It has never looked better. This money came from our reserve account. We hope to retire \$10,000 to \$12,000 of the new debt per year while the house is leased.

As treasurer, I hope to reconnect with the many alumni who provided the level of financial support we had about seven to eight years ago. Your Alumni Board voted to use some of our money to pay for Alumni events to allow more people to attend our events to strengthen our brotherhood. The Homecoming reception and the ODU tailgate event are an example.

This year we saved \$1,427 in insurance premiums. We have signed a one-year lease with three one-year options with Kappa Sigma. This will help us pay for repairs, keep Greek letters on the house to keep the house grandfathered as a fraternity house with the town, and continue to pay the mortgage down.

Completed and Planned House Repairs:

- Painting and sheetrock repairs completed (light grey walls/white trim)
- Landscaping, kitchen cabinets and interior and exterior door replacements have been completed
- Floor refinishing, upstairs and downstairs has been completed, including pulling up the carpet in the chapter room and restoring the hardwood.
- Miscellaneous items including lighting, basement enhancements, and other items will be completed before the new lease begins on July 1.

Mike Whaley supervised closing up the house and installing new locks and re-keying the old locks. Jim John and I removed all fraternity items including ritual equipment, composites, Dotson Cups, the Omega plaque and other important historical items secured them in storage.

We have a lot of “irons in the fire”, but we need your support and always want your input. Please consider restarting or continuing your annual donations to the Alumni Support Fund. We need your financial support now to ensure we have the financial resources to return to campus as soon as possible. If you want more information about our finances, please point your web browser to our web site: vtlambdachi.org

Sam Long '73 ΣΛ12

From Mike, Secretary

I look forward to helping the alumni organization transition through this challenging time. Like all of you, I have fond memories of my time at Tech and especially at the fraternity. Mostly, I cherish the friendships developed 45 years ago that get stronger each year. Hopefully, the current challenge facing the fraternity will bring us all closer together and allow us to reconnect with brothers we've lost contact with during our professional careers.

Mike Moorefield '73 ΣΛ31

Alumni News

Robert T. Beale '98 ΣΛ405 has been named a Vice President for W. M. Jordan Co. Rob joined Jordan in 1996 as the company's first intern. Since that time, he has managed over 70 projects representing over \$500 million in contracts.

Ω

J. Bart Evans ΣΩΤ, Founder, 10/13/38 - 1/28/17, Severna Park, Maryland. Bart is remembered by his family as a loving husband, father and grandfather but to so many others he is remembered fondly as a dear friend and mentor. So many have recalled his unique ability to be comfortable and at ease with those he met regardless of the path in life they had chosen as well as his gift to be careful, concerned and astute listener. He understood the nature of friendship in the deepest sense, where interactions led to mutual growth, discovery and delight. Others remember how he seemed to see quickly to the heart of an issue whether it be the workings of a simple machine, the complexities of setting a stage at the theatre, the incredibly important issues of the defense work he did so diligently or the very personal issues which touched the lives of those he encountered. He had a presence, dignity and amazing reliability so that people naturally gravitated to him for advice and help which he gave patiently. So many disparate areas came under his watchful eye because of the diversity of his interests. The Boy Scouts of Troop 855 at St. Martin's in-the-field, the fraternity at Virginia Tech, those he managed with compassion and skill at Westinghouse/Northrop Grumman, the theatre groups which used his skills, the expertise he brought to the environmental work on the Eastern Shore, those dear lifelong friends he sponsored from the United States Naval Academy are but a few examples where his soul touched others and continues to do so. Memorial donations may be made to the Chesapeake Bay Environmental Center, <https://www.bayrestoration.org/product/donation/>. Condolences may be conveyed online at <http://www.barrancofuneralhome.com/obituary/4091294>.

C. Michael "Mike" Marshall '73 ΣΛ22, 12/29/50 - 2/18/70, Inverness, Illinois. Beloved husband of Pamela, nee Burke, loving father of Jennifer (Christopher) Day, proud grandfather of Blake Day, treasured son of Wanda and the late Charles Marshall, dear brother of Barbara (James) Calvert and fond uncle to many. Memorial donations may be made to Alexian Brother's Hospice, alexianbrothershealth.org/services/hospice/donations. Condolences may be conveyed online at <http://www.smithcorcoran.com/obituary/charles-michael-marshall/>

Jonathan W. Stauffer '92 ΣΛ330, 12/8/68 - 12/23/16, Steamboat Springs. Jonathan passed away suddenly at his home. He is survived by his wife, Toby Ieuter Stauffer. Toby and Jonathan were married in Estes Park, Colorado in 2007 and had formerly lived in Fort Collins, Colorado. Jonathan was owner of Hydro-Eco Consulting specializing in wetland and environmental repair and remediation. He is remembered as a dear friend, loving husband, dog lover, and a gentle giant oftentimes with an impressive goatee. "Big Bear" will be missed terribly. Memorial donations may be made to a dog rescue organization or Friends of the Yampa <http://friendsoftheyampa.com/donate/>. Condolences may be conveyed online at http://www.tributes.com/condolences/leave_memory/104373354

Summer Beach Bash

Our annual Beach Bash will be in Virginia Beach on July 29th. The party will be on the beach at 40th Street starting at 12. BYOE, no not that E, he can make it on his own, we're talking about Everything, including wives, girlfriends & kids. This is the year to come together and make it a Yuuuuge turnout. Register today on our home page: www.vtlambdachi.org

*He say, "I know you, you know me" One thing I can tell you is you got to be free **Come together**, right now."*

John Lennon / Paul McCartney, 1969

Homecoming 2017 - September 23

Register today on our home page: www.vtlambdachi.org

This year, we will continue to celebrate the brotherhood of our fraternity, but there will be two noticeable differences:

- We will not have any events at, or access to, the house
- There will be no actives present

Nonetheless, please plan to join us as Virginia Tech stares down ODU. Game time has not been announced, so the timing of Saturday events may change, but here is the plan as of this writing.

Friday, 9/22/17	Time	Cost	Location	Contact
● Golf Tournament	9:00 am Tee Time	\$50.00	Blacksburg Country Club	Mike Whaley
● Cocktails & Hors d'oeuvres	6:00 pm	No charge & Cash Bar	Blacksburg Country Club	Jim John
Saturday, 9/23/17				
● Tailgate	90 prior to game	No charge & BYOB	Lot 2, Spot 20 *	Mike Whaley
● Hokies vs Monarchs	TBA	On your own	Lane Stadium	On your own
● Memorial Service	TBA	None	TBA	

Please note, the Friday reception and Saturday Tailgate are alumni events sponsored by the Alumni Support Fund. The Alumni Chapter Board is looking to reinvigorate our alumni events and hope this will help increase turnout as we enter into a vital part of our future, and present.

** look for the Hokie ambulance!*

Alumni Support

"My brothers:

Nearly 60 years ago, Benny Burkett, Carl Crist, Bob Crowell, Jim Dafnis, "Nugget" Dunn, Ray Edwards, Bart Evans, Jim Ferguson, "Duff" Harley, Tom Poole, Paul Seimers, Bernie Snyder, and I founded Sigma Omega Tau fraternity. The 13 of us took a bold step, without much forethought, to bond our friendship. Fifty-nine years later, we remain close friends and are occasionally overwhelmed by the consequences of our action that October. Thirteen years later, another group of men had the courage to become a colony of Lambda Chi Alpha Fraternity, recognized then, as now, as a leader in Greek organizations. This ensured university recognition and our continued presence on campus.

Or so we thought. As the decades have unfolded, as Founders, we have taken great pride in watching hundreds of men come through the fraternity and continue its legacy. We now hear this nearly 60 years of service and brotherhood is at risk."

Excerpted from Bill Thomson's letter of February 27, 2017 representing the Founder's to the Active Chapter.

While the active chapter no longer is present on campus, as alumni, we remain passionate and committed to our brotherhood. A strong Alumni Chapter Board has formed to lead our fraternity during this critical phase in our nearly 60 year history. We will ensure the undergraduates recruited to continue our legacy in four yours will be as outstanding as our Founders. However, we need your help. We need your attention, your voice, your assistance, and your financial support.

Over the years, we have noticed a sharp decline in alumni support, especially from brothers who have been long-time donors. We hope many brothers will renew their giving so we can position the fraternity with a sound financial footing and take full advantage of the opportunity to recolonize the chapter with a group of outstanding undergraduates in four years.

Please read this [list of brothers](#) who have made a gift to the Alumni Support Fund this year and consider joining us by clicking here: <https://squareup.com/market/lambda-chi-alpha-alumni-chapter-at-virginia-tech>.

Alumni Board Meeting Notes

Meeting was called to order by Board President Barry Buschow at the board room of Hermitage Country Club on June 2-3, 2017. *Attending:* Barry Buschow, Nathan Yingling, Sam Long, Mike Moorefield, Jim John, Butch Webber, Tim McDermott, Bruce Rogers, Mike Whaley, Larry Mathews – High Pi University of Richmond Chapter

Chapter Recolonization and House

The lease of the house has been completed and refurbishment of the house is almost completed. Painting, floor refinishing, door replacement, smoke alarm replacement, landscaping and other enhancements have been completed. We are financially settled with the recent actives. Current plans are to refinance the house at a lower rate, to establish a reserve fund and to fund a Recolonization Fund. House photos of the renovation are on our web site.

Recolonization effort and AXA IHQ support:

We were very fortunate to have Larry Mathews, current High Pi at the University of Richmond, join us. Larry supported the recolonization of Lambda Chi Alpha at UR, which had been closed for 10 years. He has worked closely with IHQ over the years and indicated that the general fraternity is very positive about reestablishing a chapter at Virginia Tech. He feels we have a very strong alumni group, which is bonus for a new colony.

In the coming years, we should set up a structure in Blacksburg with a High Pi, often referred to as a chapter advisor, and recruit a Blacksburg-centric Alumni Advisory Board. This structure has been key to the successful recolonization at the UR chapter. Larry reviewed the Seven Core Values of AXA, the Creed of AXA, Rights of Associate Members and need for a focus on scholarship. We should strive to have the highest GPA on campus, which is what the UR chapter recently attained.

Larry suggested we consider raising money to help recolonize which will support the funds invested by IHQ. Tim reported the General Fraternity spends about \$9,000 to recolonize a chapter today.

Budget

The budget for the upcoming fiscal year, Oct 1, 2017 – Sept 30, 2018 was presented and approved by the board. We will set up an online QuickBooks account for all accounts to provide easier transparency for all finances.

Alumni Events

Homecoming 2018 – 60th Anniversary of the Fraternity.

- Jim John agreed to chair the planning and implementation of the 60th.

- He will look to establish regional support throughout the state to plan and promote the event to maximize attendance. Will need support and representatives from each decade to help.
 - Will invite University Officials as well as AXA IHQ representatives to attend various functions.
 - This is an event that will be on an away football game weekend in October 2018.
 - We will hold the event at the Inn at Virginia Tech and Skelton Alumni Center or a similar nice hotel. All agreed The Inn worked well for the 50th Anniversary.
 - Golf tournament on Friday during the day and additional activities for non golfers and significant others on both Friday and Saturday. A memorial service for deceased brothers will be held.
- Homecoming 2017
- Mike Whaley will chair this event with support from Jim John. There will not be an event on Saturday night due to the short notice and since many people will just come the day of the game and return home afterwards.
 - Other Major Alumni Events:
 - Spring Game 2018. We will focus on this event in the near future.
 - Summer Beach Bash 2017. Annual event held at Virginia Beach on the beach.

Alumni Chapter Matters

By-Laws of the Alumni Association

- Barry presented a proposal for updated Alumni Chapter By-Laws incorporating several recommendations from the General Fraternity into the existing By-Laws last updated in 1985. The updated By-Laws were approved.

Communication and Fundraising

- Tim McDermott will publish the next Link. We need to recruit a new editor.
- We discussed the future of the Dotson Cup program. While it has been successful, there was discussion around how we recognize future donors.

Next meeting

- Current plans for the next board meeting will be at Homecoming.

Respectfully submitted,

Mike Moorefield

Alumni Secretary

Chapter Suspension Chronology

Date	Event
Nov 2 & 3, 2016	Student Conduct report cites several incidents occurring over this two-day period as detailed below.
Nov 28 & 29	Office of Student Conduct interviews active chapter brothers regarding alleged incidents.
Jan 17, 2017	Student Conduct investigation report is submitted.
Feb 2	Alyssa Bennet, Associate Director of Harm Reduction from Lambda Chi Alpha International Headquarters (IHQ), calls Tim McDermott, providing the initial notification to the Alumni Chapter of the incidents and detailing the allegations and discussing sanctions to be implemented by IHQ.
Feb 6	IHQ places Active chapter on probation through May 2018.
Feb 12	Past High Pi Doc Benoit and outgoing Alumni Secretary Tim McDermott attend special called meeting of the Active Chapter to review status of incidents and options moving forward.
Feb 20	Virginia Tech Office of Student Conduct holds hearing attended by Chief of Operations and Deputy to the Senior Associate Vice President for Student Affairs Frances B. Keene, Ph.D., Chapter High Alpha Brody Casper, and members of the Chapter's Executive Committee.
Feb 21	Frances Keene writes to Brody Casper finding AXA responsible for five violations of the university's Student Code of Conduct. * The chapter was sanctioned with loss of recognition from February 21, 2016 through May 15, 2021. The letter notifies Brody the chapter has seven days to appeal. A condition of IHQ's charter is university recognition. Without Tech's recognition, IHQ also must withdraw the charter.
Feb 23	Call between Tim McDermott and Virginia Tech Director of Fraternity and Sorority Life Byron Hughes to review options and ensure he is aware of support from the Alumni Chapter and IHQ.
Feb 23	Conference call to review plans for an appeal is joined by IHQ Associate Director for Harm Reduction Alyssa Bennet, IHQ Director of Chapter Services Nick Zuniga, High Alpha Brody Casper, incoming Alumni Secretary Mike Moorefield, and Sherpa Mike Whaley.
Feb 26	Incoming Alumni Chapter Officers Sam Long, Mike Moorefield, Jimmy John, alumni Mike Whaley and Dave Jones, and IHQ Educational Leadership Consultant Taylor Krivas attended a special active chapter meeting with Tim McDermott joining by phone to discuss options and the appeal process. A letter from Founder Bill Thompson was read to the chapter encouraging an appeal. At the meeting's conclusion, the chapter was unanimous in their decision to let the university sanction stand and not pursue an appeal thereby closing the chapter.
Mar 11	Tim McDermott, sends email to all alumni announcing
Mar 11 – May 18	Mike Whaley helped current house brothers find new lodging for the remainder of the semester. Locks were changed, ritual equipment, composites, Dotson Cups, and other fraternity items were secured off-site. Plans were implemented to update and renovate the house. A search was implemented for a tenant.
May 18	\$3,000 per month lease is signed with Kappa Sigma fraternity.
June 19	Refinanced \$85,000 mortgage is signed.
Jul 1	Lease becomes effective.

Notes: In addition to this inventory, there were very frequent conversations and emails between and among Active and outgoing and incoming Alumni Chapter officers, IHQ representatives, and University representatives during this entire period to ensure excellent communication.

* Student Conduct found the Active Chapter responsible for the following violations:

- “alcoholic beverage
- abusive conduct – hazing
- furnishing false information
- failure to observe rules and regulations
- involvement in an university violation”

HELP WANTED

Looking for a resume builder? We've got the job for you!

The Alumni Board is looking for a brother with good writing and communication skills who is organized, meets deadlines, and is willing to pester Board members and other writers to submit their articles on time. This is an excellent opportunity to be a part of a growing, dynamic organization. OK, basically we just need help, but we are a good group!

Good graphic layout skills are a plus! Logistics are kept to a minimum as The Link is sent electronically to all brothers with good emails addresses. Other brothers receive a printed copy by snail mail, but we have an account with Click2Mail.com so no skills are required to fold, staple, address, and stamp! Two editions annually are projected with three to four preferred.

No need to apply, just volunteer to [Barry Buschow](mailto:Barry_Buschow) and you've got the job!
